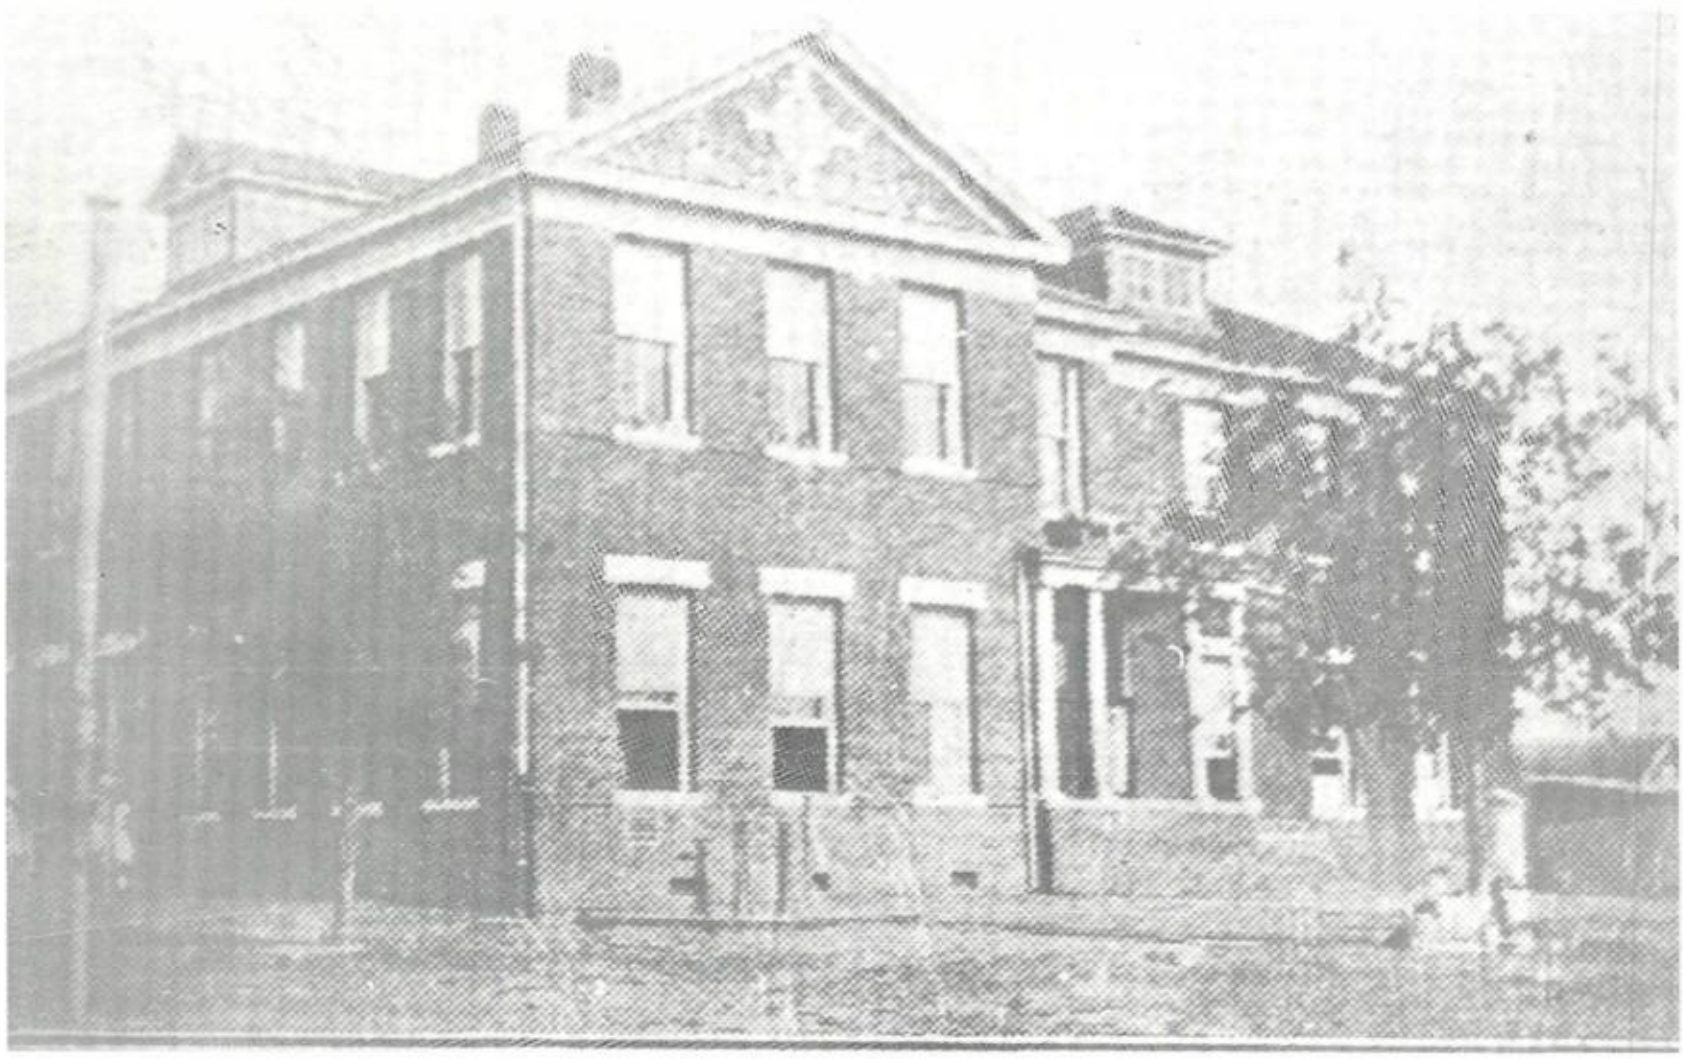
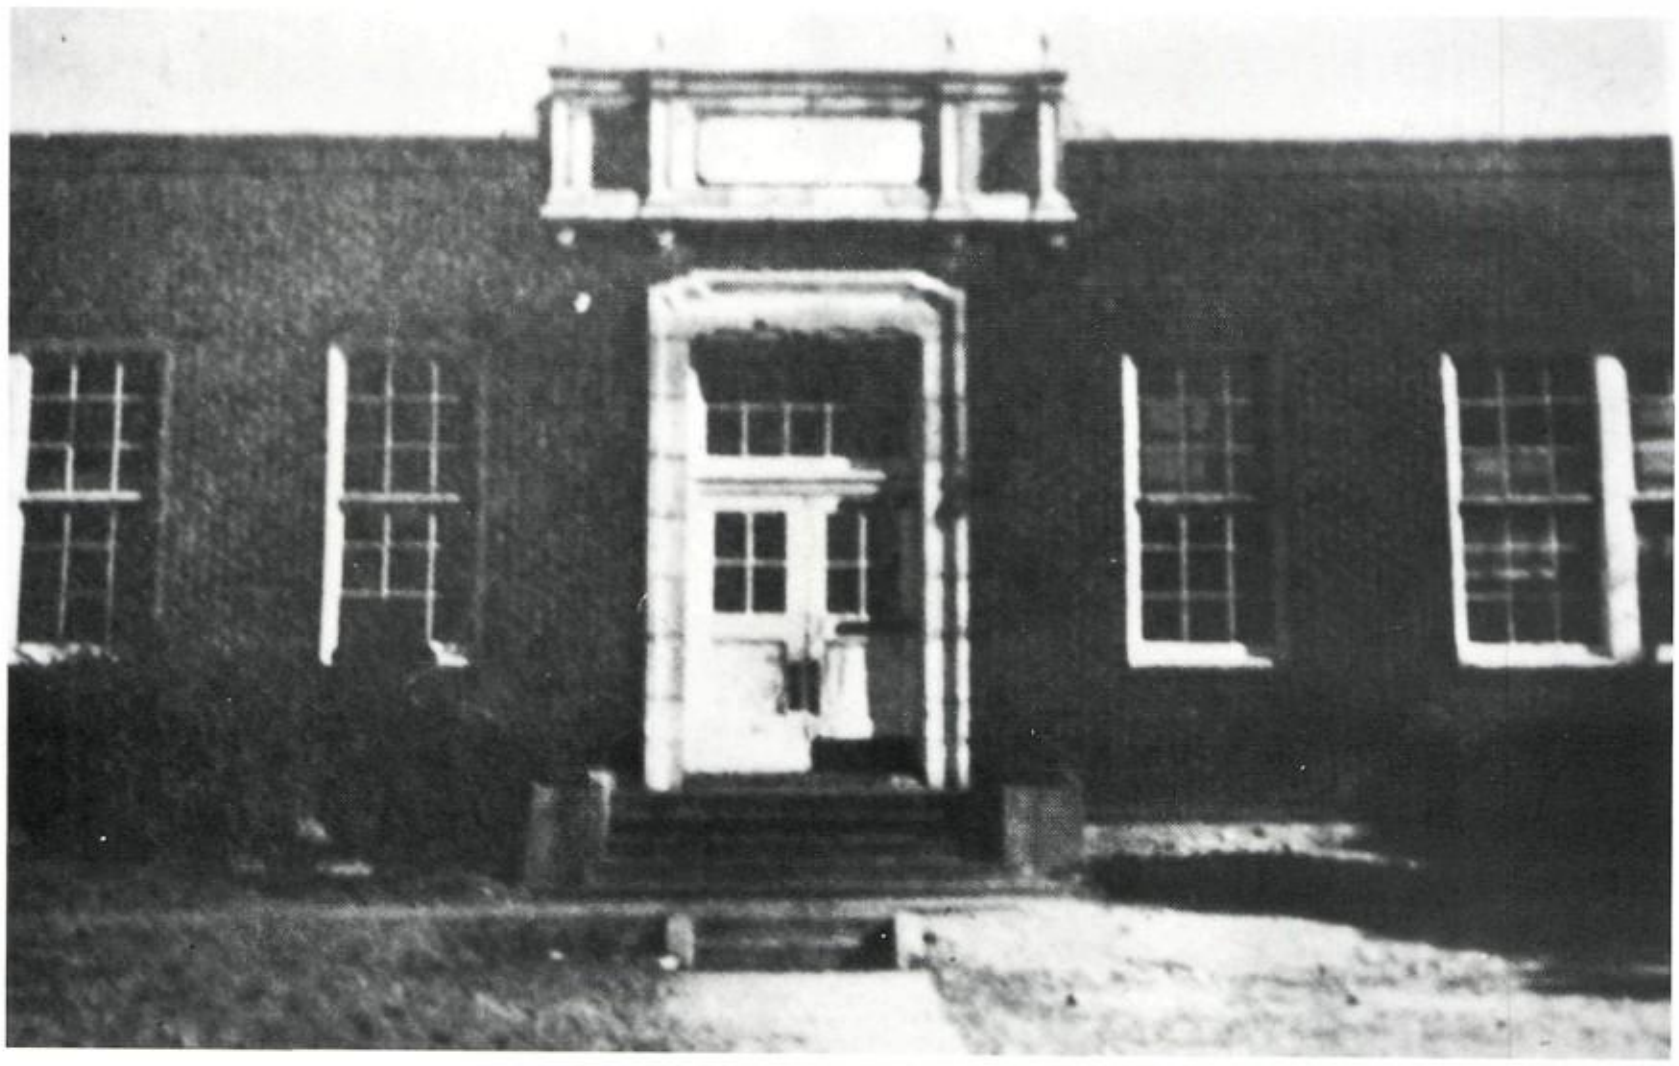
SHALL RISE AGAIN

Mesquite High School's traditions developed because individuals cared. As the city of Mesquite grew the high school's winning traditions began to reflect the students' pride. School spirit paved the way for various athletic and scholastic achievements. In 1938 and 1940, Mesquite girls' varsity basketball won state championships. In more recent years the Mesquite varsity football team played for the state championship. Also, the 1962 Mighty Maroon Band was invited to participate in the Rose Bowl. Scholastically, Mesquite has produced National Merit Finalists, UIL winners and scholastic award winners. Our pride became a symbol for the school when Stormy appeared at athletic events in 1966. Each year more awards and achievements are added to the long inspiring list. The list is composed of students who care enough to extend the tradition of pride in M.H.S. Not only does Mesquite High School have the richest history, but reflects the best in Mesquite.

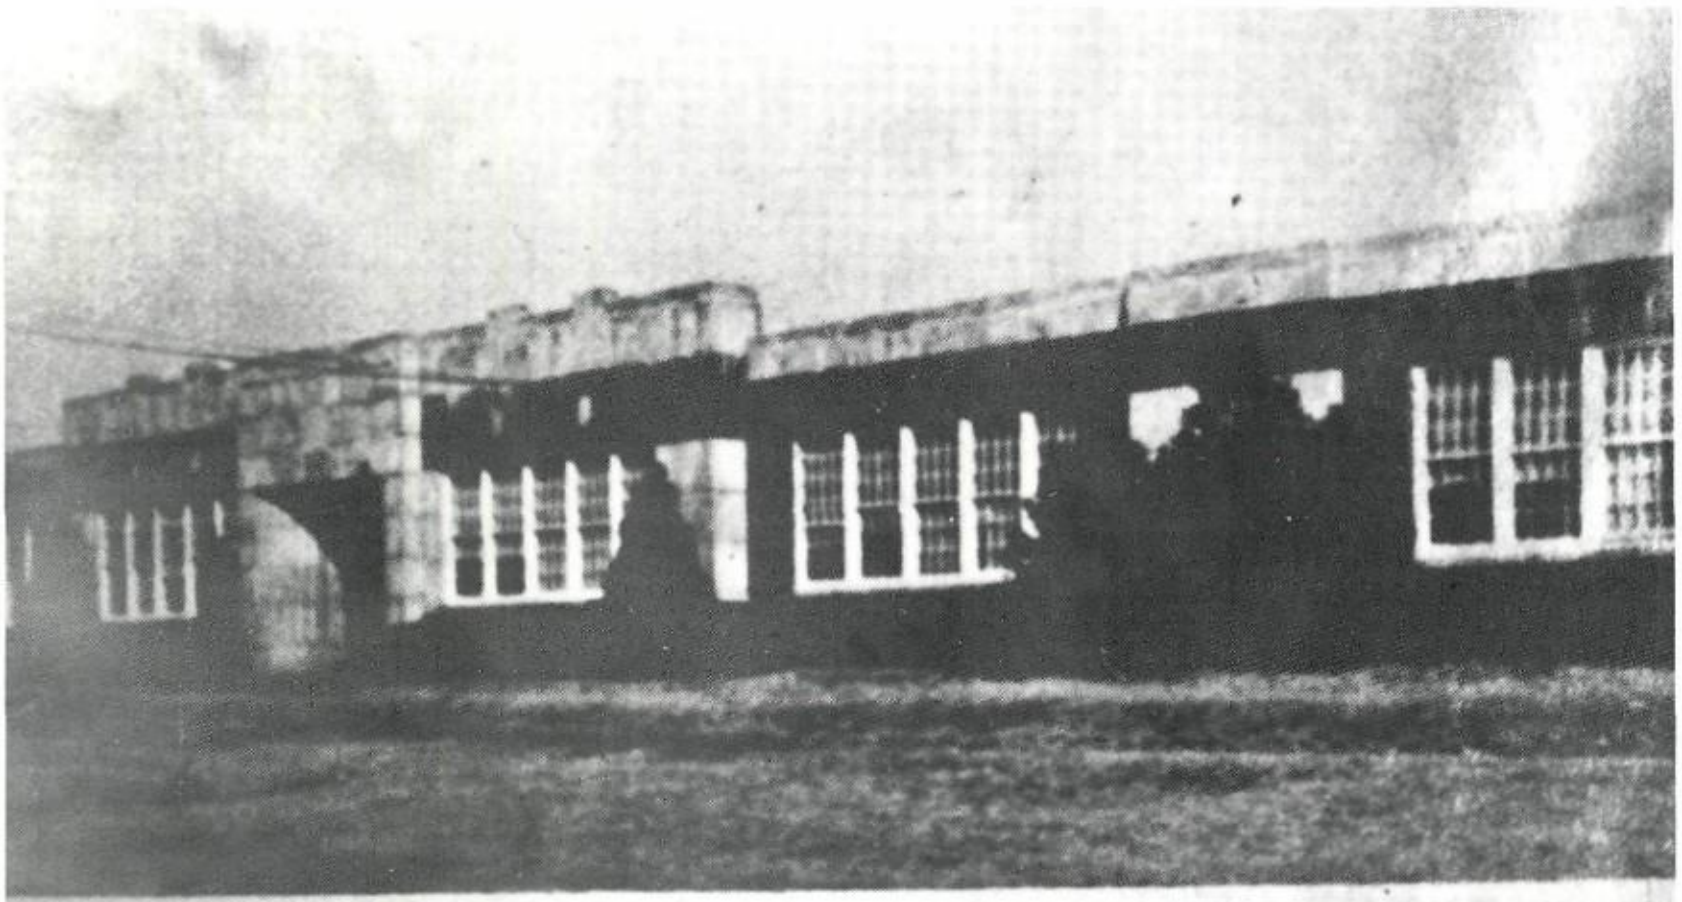


The Two story building pictured above was built in 1902 and torn down in 1927.

The two story building pictured above served as Mesquite High School from 1923-1939 and was demolished in 1955.

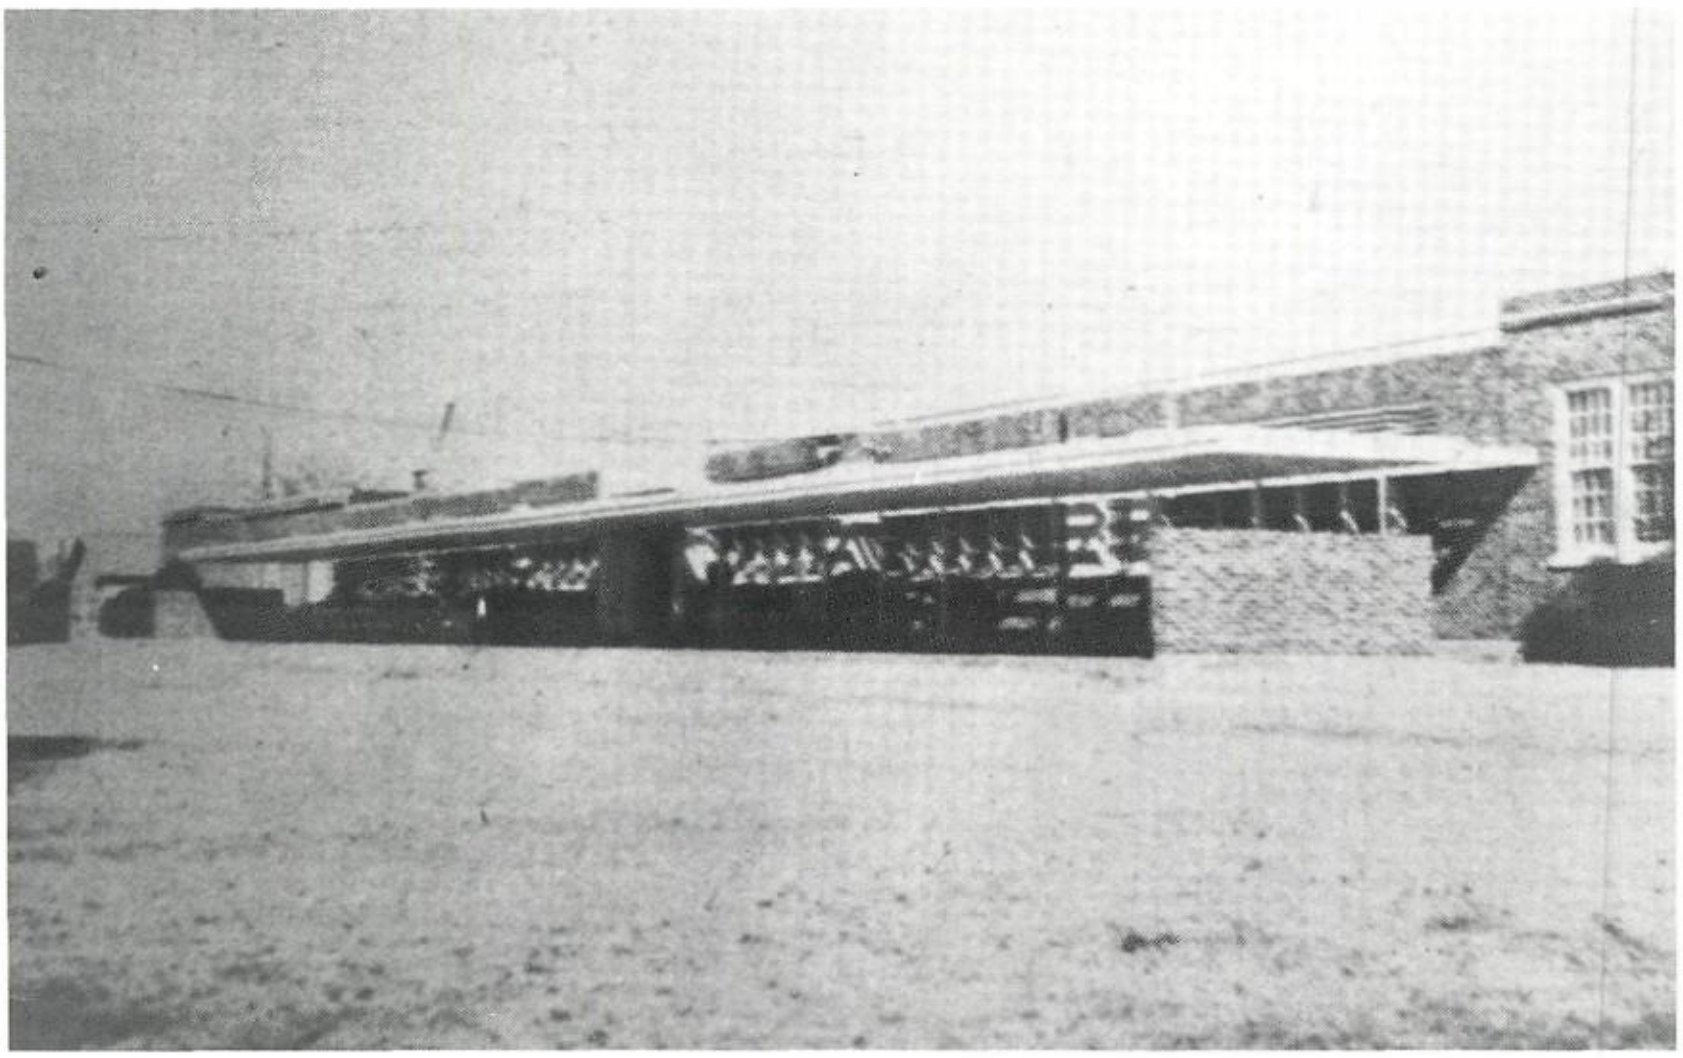


Constructed in 1927 and was demolished in 1963, this building was a part of the high school campus during the late 50's and 60's.

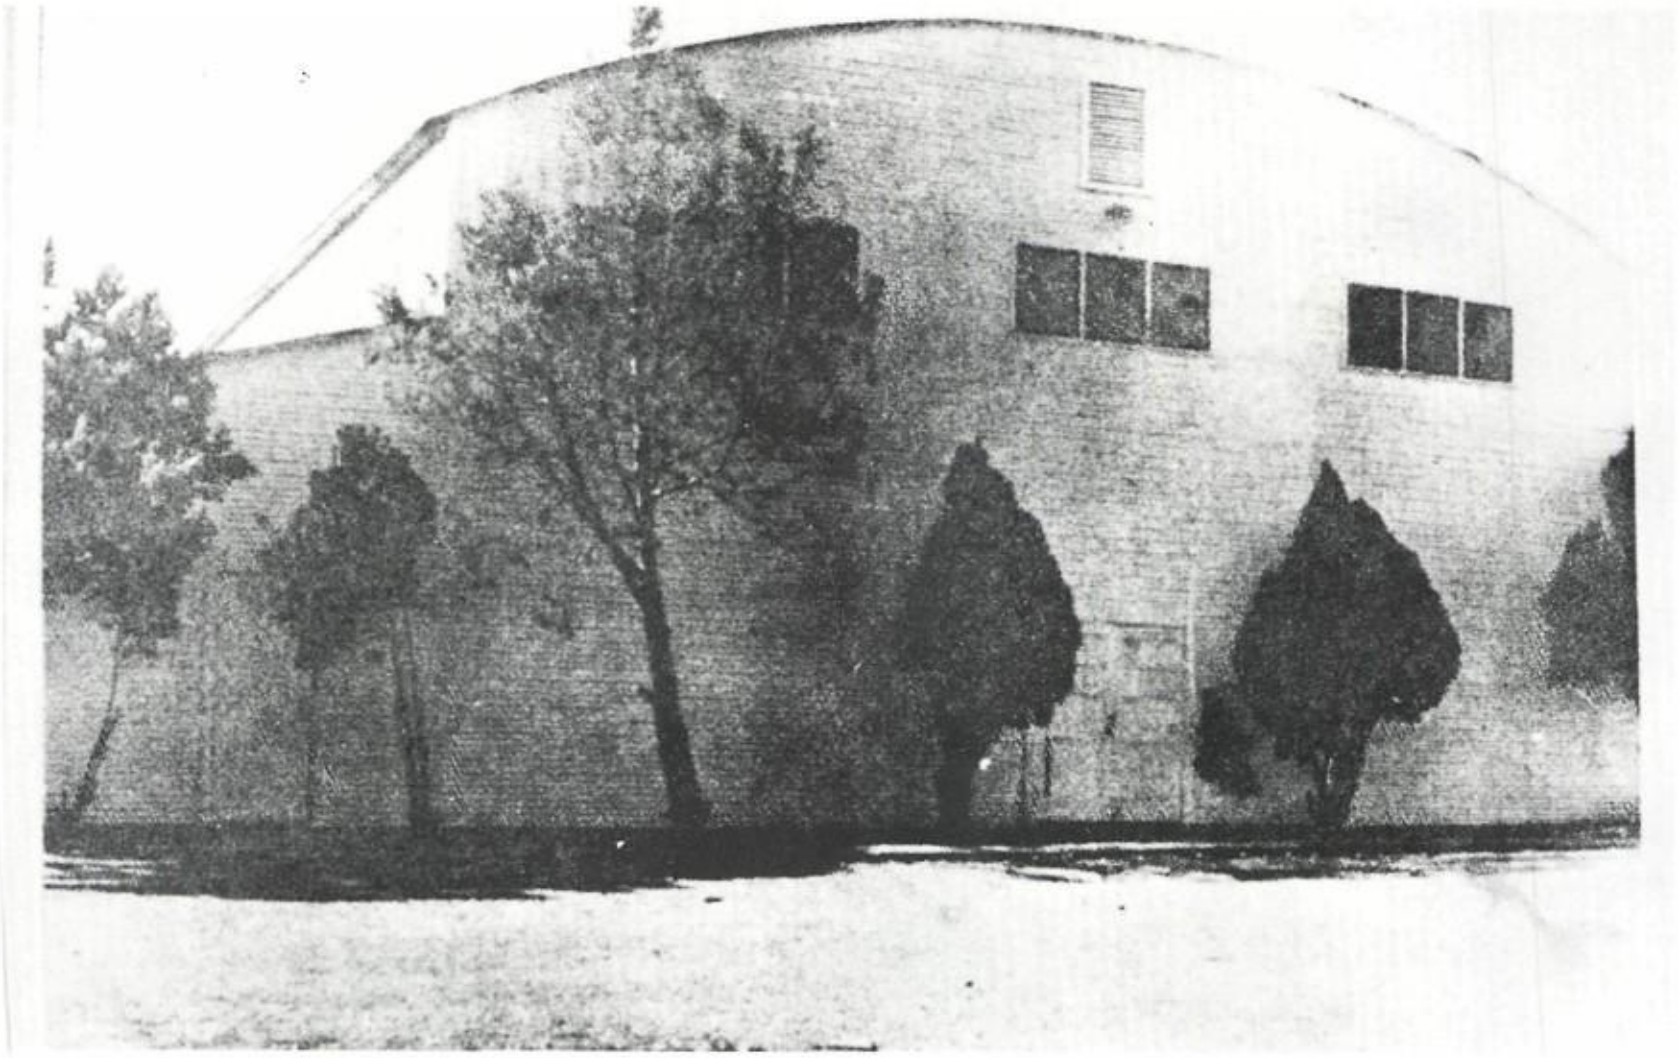


High School Building

In 1939 L building was constructed.



In 1949 two wings were added to the building.



In 1933 Mesquite High School's first gymnasium was built. This building was one of the most modern of its kind at that time.

DEDICATION

The 1982-83 Mesquite-O staff dedicate this year's annual to the rich tradition of Mesquite High School. Many traditions we owe to those of the past, however those of the future lie within the halls of Mesquite High School. We should strive to maintain the rich heritage we have here at M.H.S. . . . . . .

TRADITION

MESQUITE SENIOR CLASS of 1900 [illegible]
Weesom and class valedictorian John Lawrence, seat-

was born at Fort Byron, Ill., Sept. 1, 1862, the son of Mr. and Mrs. C. B. Marshall, who came originally from New Jersey and was engaged in the blacksmith business in Illinois for seven years. The family came to Texas and to Mesquite on Jan. 6, 1881 and settled on the present site of the Marshall home about two and a half miles west of Mesquite. The elder Marshall engaged in the production of prairie hay and did some farming. His son was associated with him during his lifetime and carried on after his death.

Mr. Marshall has led an active life. He served as a road overseer in the old days when the citizens were required to work so many days each year on the public roads and as a school trustee in several different districts. He is a former member and president of the board of trustees of the Mesquite schools. When the Mesquite bank was nationalized in 1902 and named the First National, Mr. Marshall was one of the original operators and vice-president and a director. The president was the late R. S. Kimbrough and was of course a director. Other original directors, all now deceased were L. W. Wilson, W. S. Johson, R. P. Curtis, J. C. Rugel, and L. S. Darling.

He was also owner of the site and one of the original incorporators of the brick plant here, known as the Ferris Brick Co. S. S. Conner was president

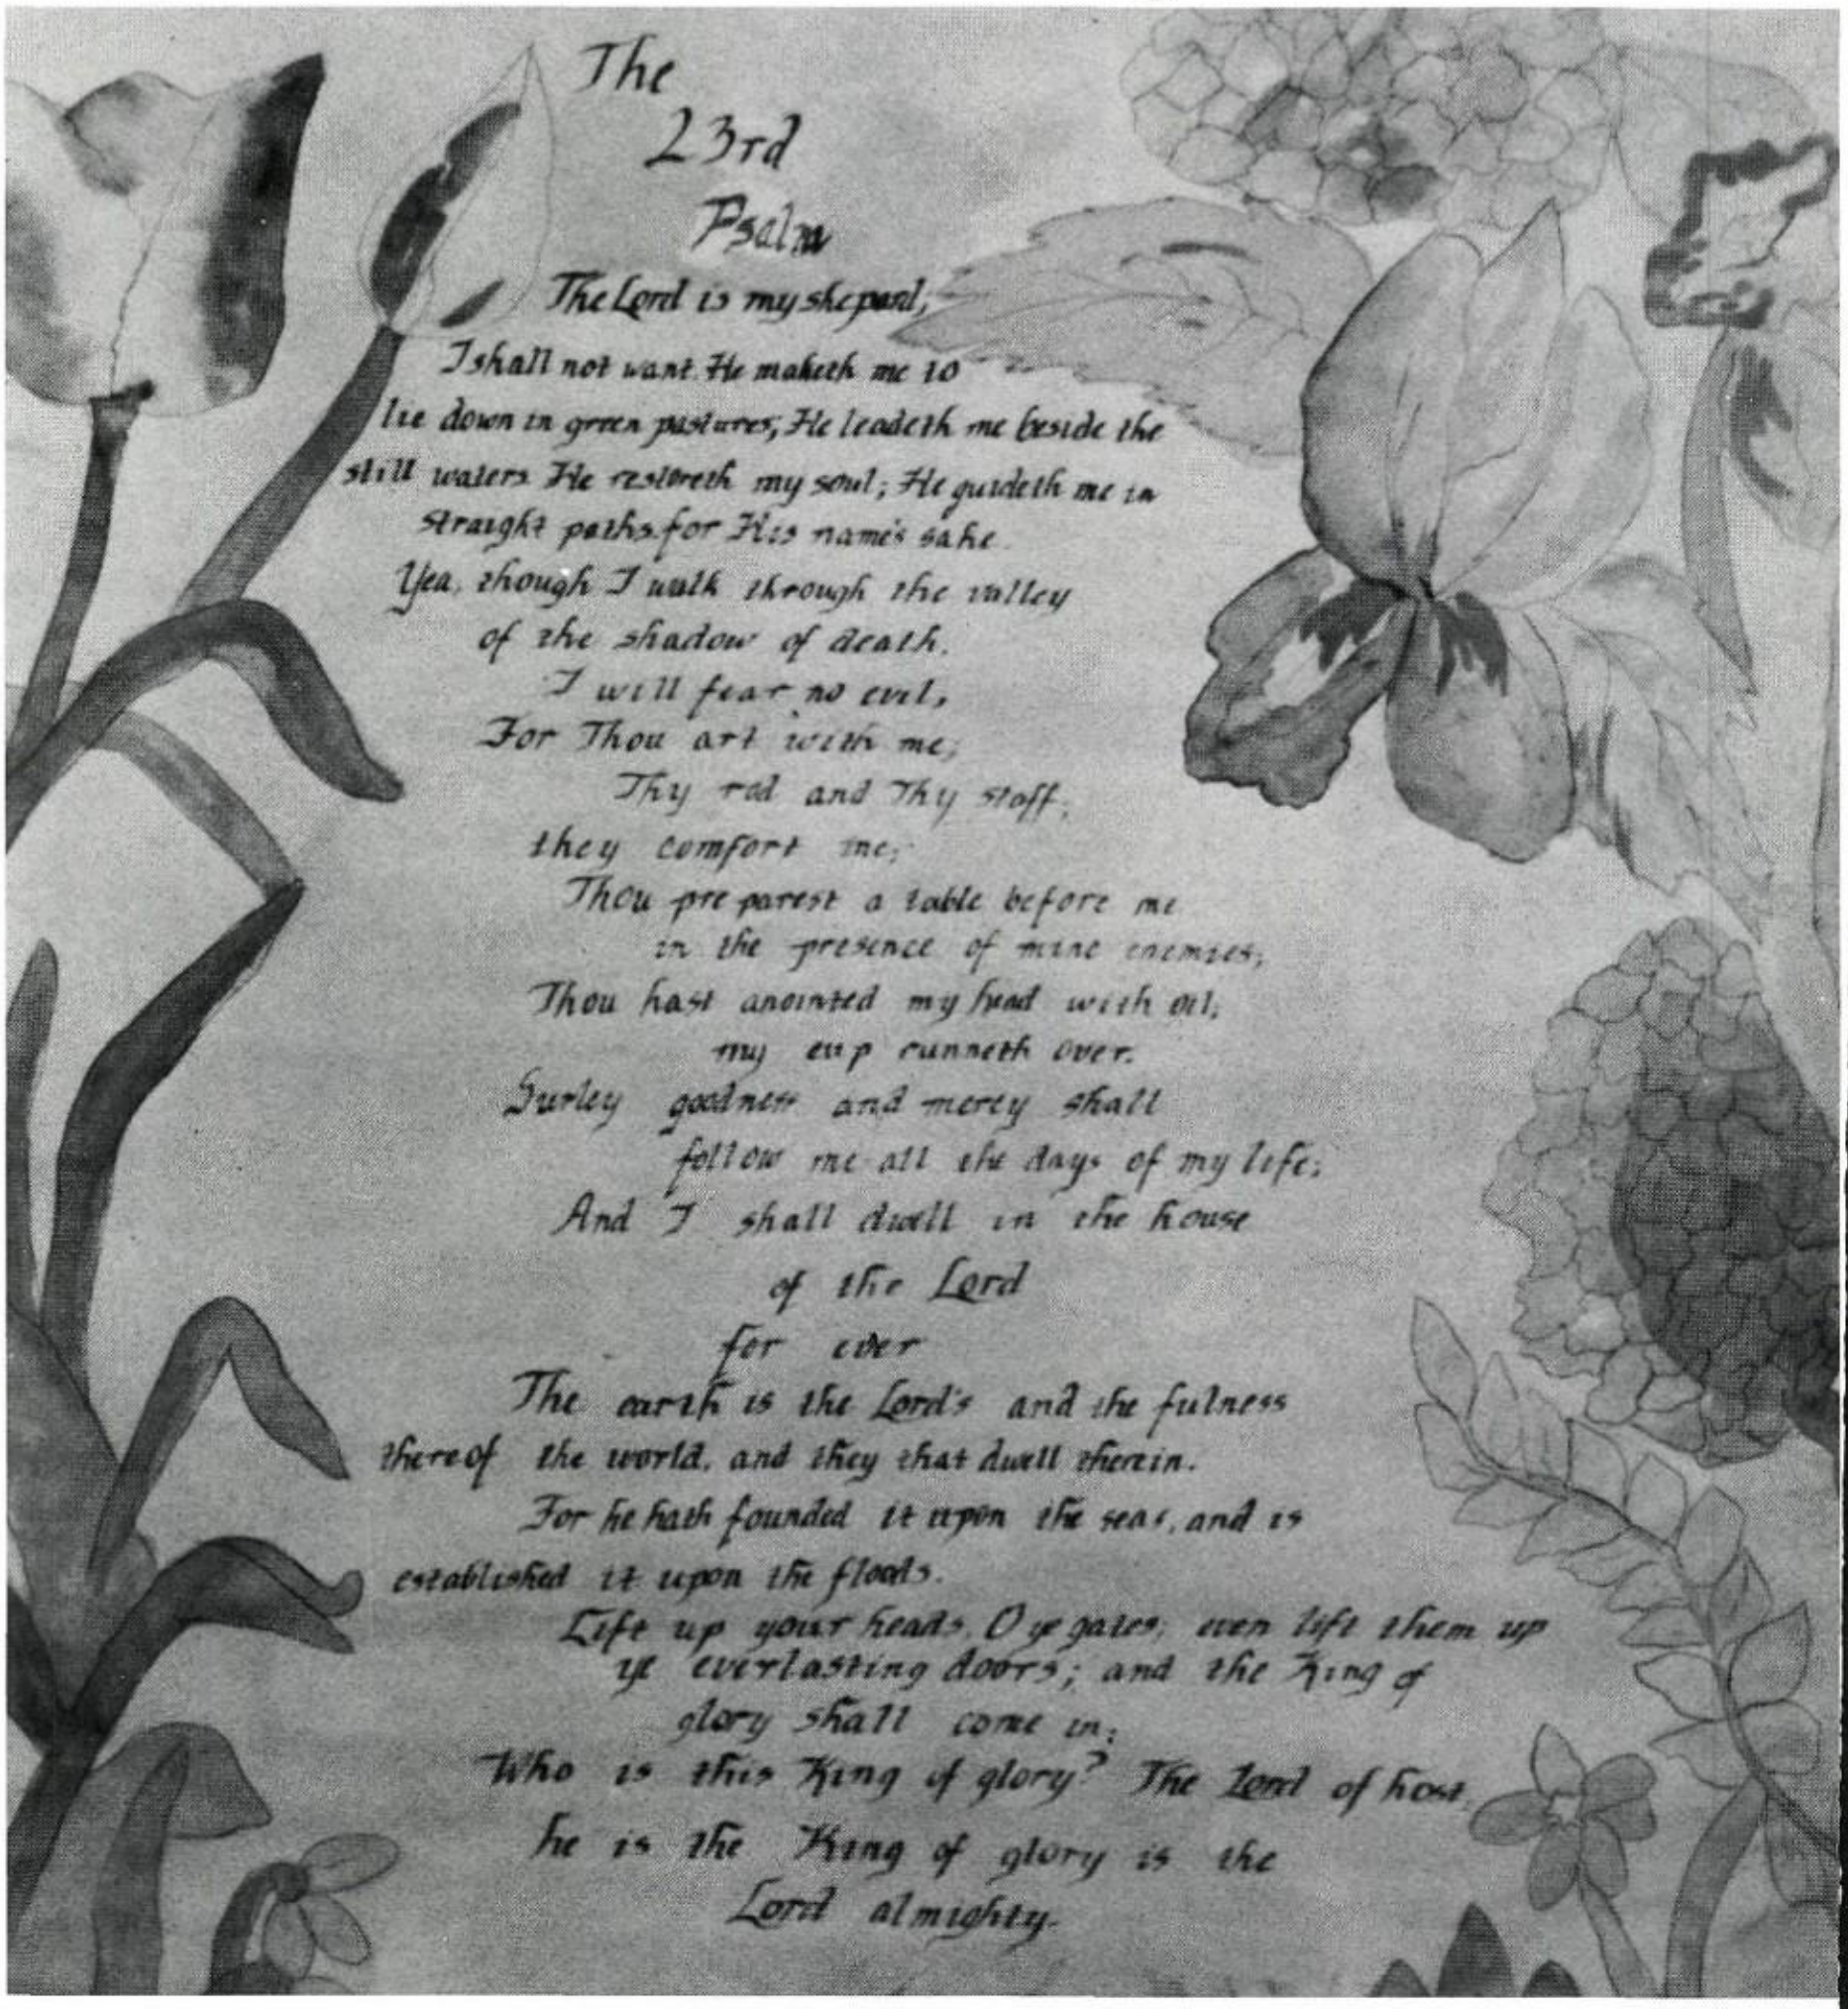
In Memory



The
23rd
Psalm
The Lord is my shepard,
I shall not want He maketh me to
lie down in green pastures; He leadeth me beside the
still waters He restoreth my soul; He guideth me in
Straight paths for His name's sake.
Yea, though I walk through the valley
of the shadow of death.
I will fear no evil,
For Thou art with me;
Thy rod and Thy staff,
they comfort me;
Thou preparest a table before me
in the presence of mine enemies;
Thou hast anointed my head with oil;
my cup runneth over.
Surley goodness and mercy shall
follow me all the days of my life;
And I shall dwell in the house
of the Lord
for ever
The earth is the Lord's and the fulness
thereof the world, and they that dwell therein.
For he hath founded it upon the seas, and is
established it upon the floods.
Life up your heads, O ye gates, even lift them up
ye everlasting doors; and the King of
glory shall come in;
Who is this King of glory? The Lord of hosts,
he is the King of glory is the
Lord almighty.

This page is dedicated to the memory of all of those students and administrators that were taken from us during the course of this school year.

Baseball team in play-offs

By Maxie Arriola — M.H.S. Monitor

Games between close rivalries are hard to predict and the thing to expect in some cases is the unexpected. This was the case of the 82-83 Skeeter varsity baseball team.

With three games left after beating Lakeview, the front runner in 9-5A for most of the season, the MHS baseball team's future was no longer "if." The only things put into their heads was to have fun and keep winning. Had Mesquite won the last three games the title of 9-5A champions would have been theirs.

The third of the three games after Lakeview was North Mesquite, cross-town rivals and all around "best buddies." North Mesquite upset Mesquite 4-3 with sound defense and a good performance by the starter Sunny Fisher. "North Mesquite played good baseball but we still could be sitting on top of the 9-5A perch, baseball coach Dan Easley said.

"We surprised a lot of people including myself and we really played like a championship team," Coach Easley said.

Mesquite finished a half game behind Lakeview, thanks to a tie with North Garland. It could have worked both ways though. The high point of the season was beating Lakeview 4-0. The Patriots were ranked number one in the metroplex rankings during most of the season. Todd 'Tex' Ritter had an excellent game and so did the entire team. 'Tex' was on top of his game and shutting out Lakeview was good to have under his belt," Coach Easley said.

The varsity team ended the regular season with a 18-5-1 record, 9-3 in district, and are involved in the state playoffs for finishing second in district.

The Skeeters defeated Skyline in the first bi-district game by the score of 6-4.

"This is the best team I have ever coached," Coach Easley said, "They are a team of destiny."

The Skeeters defeated Plano for the Area championship and went on to lose to Houston Klein in the Regional playoff after 3 hard fought games. The Skeeters finished the season with a record of 23 wins, 8 losses, and 1 tie.

LIFE IS

In Mesquite . . . a winning attitude is paying dividends during this important time in our city's history.

Important because it's a time of growth in Mesquite. And, new businesses and families are investing their futures in our community at a record pace.

Families like the amenities of life Mesquite offers: outstanding schools, excellent recreational facilities, a wide variety of housing and convenient shopping.

Businesses like the advantages of a Mesquite location: easy access throughout the Metroplex and beyond, a top notch work force, favorable land prices and a cooperative attitude from city leaders.

The Chamber of Commerce in cooperation with the City of Mesquite is getting the word out on our community. We want everyone to know what all of us are very much aware of . . . that Life in Mesquite is Better Than Ever and the Future is Brighter Than Ever.

"I leave the rough riding for the rodeo."
"After the rough rides I experience in the rodeo arena, it's a pleasure to relax behind the wheel of my FORD pickup from Town East Ford.
If you're looking for a truck that will take the punishment and not give it back to you, then look to Ford. If you're looking for a dealer who makes the best truck deals in town and has the largest selection in this area, then look to Town East Ford. I did.
That's why Town East Ford in Mesquite is the "Talk of the Town" and #1 in Dallas County."
